

Phi-Hang Nguyen
Midwestern University Chicago
College of Pharmacy

Ms. Phi-Hang Nguyen is currently a student in the Pharm.D. program In the summer of 2002, Ms. Nguyen had the opportunity to join a team of doctors, pharmacist, dentists, medical students and 35 other students on a medical mission trip to Vietnam. During her two-week stay, Ms. Nguyen assisted in providing needed services to more than 400 underserved patients each day. Ms. Nguyen was directly involved in the treatment and education of patients with conditions such as hypertension, arthritis, PUD, etc. Ms. Nguyen demonstrated that she has a true compassion and commitment to helping the medically underserved.
